PROFESSIONAL RACING DRIVER

ABOUT SEB

Seb Priaulx at 18 years old is already a multiple race car winner in both sports cars and singles seaters, winning 13 car races and visiting the podium 32 times (and counting...)

Starting at eight years of age, the Guernseyman enjoyed early success with multiple karting titles in Cadet, Mini and Junior Max championships, as well as winning the Guernsey Kart Club title aged fourteen. The next stop for the prodigious young talent was car-racing. Priaulx made the transition in the hugely popular Ginetta Junior Championship, making his debut at the end of 2015 in the Winter Series, winning that before tackling a full campaign the following year, a stunning maiden campaign seeing him finish as vice champion and more pole positions than anyone else throughout the season.

A move into single-seater competition and the fiercely competitive Formula 4 British Championship beckoned for 2018. A sensational debut saw Priaulx take a race win in only his third race in the series, with eight more podium finishes following including a second victory.

With that experience under his belt, Priaulx has embarked on an exciting new chapter of his career this season in the British GT Championship, one of the world's foremost domestic GT series, behind the wheel of a new Ford Mustang GT4 with the renowned Multimatic Motorsports team. Already in his first season he's enjoyed wins, pole positions numerous trips to the podium.
